Everything is turning green... so can you!

The signs of Spring are everywhere; green grass, green on the trees, green plants. But are you green? Why not start with a simple step... reduce the amount of paper you receive in the mail by signing up for eStatements with CCU! No need for several different log-ins, with your Virtual Branch log-in you can not only view your accounts, transfer funds, make loan payments, but you can also view your monthly statements and pay your bills (you must have a CCU share draft checking account to use *PayIt* bill payment service).

Members can enroll to have access to Virtual Branch by contacting any CCU office. Once enrolled go green and sign up for *PayIt* and eStatements on the Self Service tab in Virtual Branch. Those opting to receive eStatements will receive an email notifying them that their statements are ready for viewing, generally on the first day of the month. No need to wait any longer for your paper statement to arrive or worry about filing it away or shredding it after you receive it.

More ease and convenience for you - what a great way to be green!
