It's Time to Buy!

Now is a great time to purchase a new or new-to-you used vehicle. The 2011's are arriving so the 2010's are priced to sell. Even new-to-you used vehicle inventories are high and priced low. If you are in the market for a vehicle, now is the time to buy.

Call Champion Credit Union first for great loan rates. CCU can finance a new or new-to-you vehicle with an Annual Percentage Rate as low as 4.95%!* Loan applications can be made at either CCU office, by phone, at www.ChampionCU.org, or at many area dealerships. Shop first and apply later or vice-versa. Visit the *Where Members Buy* link at ChampionCU.org and browse local dealer inventory, set up a test drive and more. You can even apply for loan pre-approval while you shop.

Don't be fooled by what appears to be a lower rate somewhere else, you could actually end up paying more for that "low" rate. Watch for application fees, pre-payment penalties and other hidden fees that actually could mean a more costly loan for you. Call CCU today for more details or to apply!

eStatements are just easy!

Getting your statements electronically is easy! Members can sign up for eStatements free of charge and have their statements delivered to their inbox, instead of their mailbox. eStatements stores up to six months of statements and older statements can always be requested from the credit union.

Why not take advantage of the safe, free, convenient, and environmentally friendly way to get your statements? Enrollment is easy—just visit the self service tab in Virtual Branch and click the eStatement link.

You already use Virtual Branch to check your account—so why not have your statements delivered to your inbox, instead of your mailbox? If you are not already signed up for Virtual Branch, call the credit union today to be enrolled!

Don't forget to also sign up for mobile money while you are on the self service tab in Virtual Branch. Mobile Money allows you to send text message requests to receive balances or short account histories. Web enabled mobile devices can also perform basic account transactions with mobile money, like transferring funds between accounts.

Both eStatements and Mobile Money are free services for members with Virtual Branch.
